

Pre-reading Warm Up:

Direct your attention to the headline and first paragraph of the article. To get yourself oriented, answer these questions:

- Who is at the center of this story?
- Where does the story take place?
- When does the story take place?

Now, start to think about what might be in the article by looking at the first photo, of Geraldine on the boat. Based on what you see, how would you say travel differed in her time versus today? Read the caption. What other topic(s) does it suggest you will be reading about?
